

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF MICHIGAN

UNITED STATES OF AMERICA,

Plaintiff,

CASE NO: 25-CR-20113

v.

HON. SHALINA D. KUMAR  
United States District Judge

RANSON DANIEL GREGOR,

Defendant.

HON. CURTIS IVY, JR  
United States Magistrate Judge

---

**Stipulation and Order to Continue the Motion Cut-off,  
the Plea Cut-off, and Trial and Find Excludable Delay**

---

The parties, by their respective counsel, stipulate that the motion cut-off, plea hearing, final pretrial conference and trial dates be adjourned for approximately 60 days. The adjournment will allow the parties additional time to exchange and review discovery, contemplate pretrial motions and engage in plea negotiations. The parties agree that such an adjournment serves the ends of justice and outweighs the best interest of the public and the defendant in a speedy trial because both parties need more time to exchange and review discovery to prepare for trial, and because the parties need additional time to engage in plea discussions which could resolve all the issues in this case. The parties agree, and ask the court to find, that the amount of time from the current trial date of July 29, 2025 and the new trial date be excluded,

under 18 U.S.C. § 3161(h)(7)(A), from calculating the amount of time in which the defendant must be tried under the Speedy Trial Act.

Respectfully submitted,

Jerome F. Gorgon Jr.
